

BacktraceException.h

```
graph TD; A[BacktraceException.h] --> B[exception]; A --> C[string];
```

A diagram illustrating the dependencies of the `BacktraceException.h` header file. At the top, a gray rectangular box contains the text `BacktraceException.h`. Two dark blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box containing the text `exception`. The right arrow points diagonally down and to the right to a white rectangular box containing the text `string`. Both boxes have a thin gray border.

exception

string
